The Aim of the Game

He walks alone: NINJA in the land of death. His timeless quest: to rescue the Princess Di-Di, pearl of the Orient, who is a prisoner in the Palace of Pearls. And he must gather idols she has dropped to prove his worth.

As well as fists of thunder and feet of iron NINJA is granted weapons: a slashing Samurai sword, spinning death stars and a throwing dagger. But these weapons are also given to his fierce opponents who guard the doorways and the idols.

As he rises through the levels his opponents multiply, his strength drains but his resolution grows.

NINJA: It blasts the black belt off all other martial arts games!!
